

Item 7 - Proposed Changes to the Memorandum of Incorporation

Your executive is recommending that a number of sub-paragraphs of the current Memorandum of Incorporation are changed to ensure that it is clear that the Guernsey Disability Alliance LBG covers all of the Bailiwick of Guernsey not just the Island of Guernsey.

This item is a matter requiring a special resolution, which means that it requires a majority of not less than 75%.

It is recommended that the following sub-paragraphs of the Memorandum of Incorporation be amended and replaced with the following sub-paragraphs:

Sub-paragraph number	Replacement wording
4.2	campaign for, and work with the government to achieve, equality of opportunity for persons affected by disability in the Bailiwick of Guernsey
4.3	foster respect for the rights and dignity of persons with disabilities in the Bailiwick of Guernsey
4.5	be an influencing force in establishing, and to campaign for, the establishment of, reasonable protection under Bailiwick of Guernsey legislation against unjust discrimination by reason of disability. This includes protection for carers, and other associates, against discrimination where that discrimination would result in unjust disadvantage to an associated person with disabilities.
4.7	influence the provision, and campaign for the improvement, of systems of support in the Bailiwick of Guernsey for voluntary carers with the ultimate aim of those systems being the improvement of carers' abilities and capacity to support and care for persons with disabilities. Voluntary carers include persons who are unpaid and those who are in receipt of States Assistance or Benefits paid in association with the voluntary care or support of a person with disabilities; and
5.1	Co-operate with other charities, voluntary bodies, States of Guernsey, States of Alderney, Sark Chief Pleas, departments and statutory authorities operating in furtherance of the Convention and the Objects of the Company or of similar charitable objects and to exchange information and advice with them;

The GDA executive recommends the acceptance of the above replacement wording in the Memorandum of Incorporation.
